

# THE AVENT ORANGERY

home of your Avent to Remember

Avent Orangery is Kansas City's newest covered outdoor event space. Located at the Chateau Avalon Hotel and spa, the Avent Orangery is the first structure of its kind in the Midwest. The beautiful steel greenhouse is nestled in our wooded acreage next to the city's largest structural fountain: the Beaumont Fountain. Avent Orangery offers the best of both indoor and outdoor space for up to 225 of your guests. To host an open-air event, remove the glass panes and the Midwest breeze blows through.
