

AVENT ORANGERY

at Chateau Avalon Hotel & Spa

welcome

A-Vent Space is Kansas City's newest covered outdoor event space. Located at the Chateau Avalon Hotel and Spa, this is the first European greenhouse in the Midwest. The beautiful steel structure is nestled in our wooded acreage next to the city's largest fountain: the Beaumont Fountain. A-Vent Space offers the best of both indoor and outdoor space for up to 225 of your guests. To host an open-air event, remove the glass panes and let the mid-west breeze blow through.

Or•ange • ry - A European greenhouse; known as a symbol of wealth in Europe. The name "orangerie" originated from the 1600's when the wealthy would have orangeries built to help stimulate the growth of exotic foods; oranges.

our story

The A-Vent Space truly is one of a kind, as its the very first in the midwest. In 2017, Pippa Middleton, sister of the Duchess of Cambridge, got married in a breathtaking orangery - a European greenhouse; known as a status symbol of wealth in Europe. Our A-Vent orangery was designed with similar construction to the Bucklebury Manor, which makes it the perfect site for your very own royal wedding here in Kansas City.

Bucklebury Manor. Berkshire, England

A-Vent Space. Kansas City, KS.
